Here are the lyrics to "San Francisco (Be Sure to Wear Flowers in Your Hair)" by Scott McKenzie:

If you're going to San Francisco,  
Be sure to wear some flowers in your hair.  
If you're going to San Francisco,  
You're gonna meet some gentle people there.

For those who come to San Francisco,  
Summertime will be a love-in there.  
In the streets of San Francisco,  
Gentle people with flowers in their hair.

All across the nation such a strange vibration,  
People in motion.  
There's a whole generation with a new explanation,  
People in motion.

For those who come to San Francisco,  
Be sure to wear some flowers in your hair.  
If you come to San Francisco,  
Summertime will be a love-in there.

People in motion. People in motion.  
People in motion. People in motion.
